

# **Okanogan County Central Landfill Waiver of Tipping Fees for Fire Debris Clean Up for Cold Creek and Palmer Fires**

Okanogan County Commissioners, passed Resolution 129-2020, September 29<sup>th</sup> 2020, which waives the tipping fee at the Central Landfill for residential cleanup debris removal directly resulting from the Palmer Lake and Cold Spring fires until December 31<sup>st</sup> 2020. Subject to the following provisions:

- 1) Qualified Volunteers, accessing the waiver, will be designated by the Recovery/Relief Organization who have been acknowledge by the BOCC; and
- 2) A property owner and/or qualified volunteer of the recovery/relief Organization shall present the parcel number and proof of property ownership prior to having the Tipping fees waived by solid waste personnel: and
- 3) The waiver applies only to residential properties where homes are destroyed or damaged, where debris is a result from the rebuilding effort: and
- 4) The waiver shall only be valid at the Central Landfill;
- 5) Okanogan County Solid Waste management will work with the Okanogan County Assessor's office, Emergency management and Other Government Agencies to determine eligibility of the property owners in the affected area for the tip fee to be waived.

**Please Note:**

We encourage you to call prior to heading to the landfill, so we can establish eligibility to waive the tip fee for all the affected property owners affected by the Cold Creek and Palmer Mountain Fire.

This only applies at Central Landfill, our Transfer Stations will not be waiving the tip fee for fire debris.
